We now look forward to
representing Malaysia
with pride at the
Asia Pacific level
in **JAKARTA**
in **November 2014!**

SpeakEZ is a language learning tool to help users speak & practise languages in an Easy, Fun and most importantly, **CORRECT** way. Among the key features in SpeakEZ is the Voice Recognition Feature which rates the user on his/her pronunciation accuracy, thus ensuring that users end up with **CORRECT** pronunciation every time.
