

# ***M3 Helps Patrons Find Their Way At GoMobile***

**24 October 2009, Mobile World**

M3's booth at GoMobile

M3Tech, developer of mobile applications and as well as a distributor for GPS systems in the region has a span of GPS devices, lucky draws and SMS alerts for the patrons of GoMobile 2009.

## GPSes Galore

On display currently at the M3 booth (booth no.570, directly opposite the Fashion Zone) are three different GPS designs with 3D building capabilities, easier navigation with views of traffic junctions, and free maps of Malaysia, Singapore and Brunei.

**M3's GPS device, the Q4301**

According to M3, the devices which come in the way of the Q3501 (3.5-inch), Q4301 (4.3-inch) and the PAPAGO R5800 (5-inch) do not require any installation or subscription. For more information on these devices and other products distributed by M3, check out M3's website ([www.m3shoppe.com](http://www.m3shoppe.com)).

## Lucky Draw

One of M3's highlights during the expo is its Lucky Draw contest. In order to participate, simply send an SMS with the words "WIN" to the number 39969 during the expo. If you get a reply, show it to any M3 employee at their booth, and you'll be in the running to receive a series of attractive prizes, including the grand prize in the form of a mobile GPS device.
